*ANSUL Fire Extinguisher, The Nation's #1 Fire Extinguisher Manufacturer, Names Cliff's Fire Extinguisher Company of Atlanta as Diamond Alliance Partner*

Cliff's Fire Extinguisher Company, Inc., one of Atlanta's leading fire safety equipment dealers, and fire alarm and extinguisher service companies, has received the honor of being named an ANSUL Diamond Alliance Partner. This level of distinction is a testament to the hard work put forth by Cliff's Fire Extinguisher Company over the past year.

The Diamond Alliance partnership is based on achieving measurable goals established by ANSUL. At this time, less than 20% of ANSUL Fire Extinguisher Distributors have Diamond Alliance Partner distinction. Companies that earn Diamond Alliance status must earn that partnership each year through sales performance.

They are members of the National Fire Protection Association, the Georgia Fire Sprinkler Association, the National Association of Fire Equipment Distributors and serve on the Board of Directors for the Georgia Association of Fire Safety Equipment Dealers.

They specialize in industrial application systems such as paint booths and other special hazards including FM200 Clean Agent Systems for computer server and electrical rooms. Cliff's Fire Extinguisher Company is one of the few authorized Ansul, Inc., distributors in the State of Georgia.
